14 October 2009

Dear Colleague,

National Grid Gas (NTS) System Operator (SO) Incentives from April 2010 – Industry Workshop Details

National Grid has this year led the consultation on the development of Gas SO Incentives from April 2010 and are planning to publish the Initial Proposals for Gas SO Incentives in the last week of October.

As part of this process National Grid are holding a workshop to present these Initial Proposals. The workshop will also provide an opportunity for interested parties to discuss them prior to submitting their formal responses to the consultation document. This letter provides further information on this workshop.

Closer to the event National Grid will publish an agenda on the Gas SO Incentives area of the National Grid website. Those parties that have registered for the event (see below for details) will be sent an e-mail to confirm when this material is available. Following the workshops, the presentations from the day will also be published on the National Grid website.

For information, National Grid has arranged a similar event for Electricity SO Incentives, which will be held on Tuesday 10th November at our offices in Wokingham. Please contact Malcolm Arthur on 01926 654909 or send an email to SOIncentives@uk.ngrid.com for more details.

Confirmation of dates, times and venues

The details of the Gas SO Incentives Workshop are as follows:

Date: Wednesday 18 November 2009
Venue: Ofgem, 9 Millbank, London, SW1P 3GE
Registration: 14:00
