Charging Statements

National Grid produce three Charging Statements in accordance with Transmission Licence requirements. These are:

The Statement of Use of System Charges
The Statement of the Use of System Charging Methodology
The Statement of the Connection Charging Methodology

Copies of the Charging Statements are available on our website:
<http://www.nationalgrid.com/uk/Electricity/Charges/>

If you require further detail on any of the information contained within these documents or have comments on how the documents might be improved, please contact the **Charging Team**, preferably by email at:
<mailto:Charging.team@uk.ngrid.com>

Alternatively, you can contact the team at:

The National Grid plc
National Grid House
Warwick Technology Park
Gallows Hill
Warwick
CV34 6DA

The Connection and Use of System Code (CUSC)

The CUSC sets out the principal rights and obligations in relation to use of the transmission system and provision of Balancing Services.

Copies of the CUSC are available on the website:
<http://www.nationalgrid.com/uk/Electricity/Codes/>

Any CUSC related enquiries or comments should be addressed to the **CUSC Team**, preferably by email at:

Cusc.team@uk.ngrid.com

Or at:

National Grid
National Grid House
Warwick Technology Park
Gallows Hill
Warwick
CV34 6DA

Tel: 01926 653000

Fax: 01926 654378

Grid Code

The Grid Code sets out all technical arrangements between all Users of the National Electricity Transmission System. The Grid Code is available via the website at:

<http://www.nationalgrid.com/uk/Electricity/Codes/>

Copies may be downloaded or ordered from National Grid via the Order form on the website.
