

# Gas Operations Winter Reporting

---

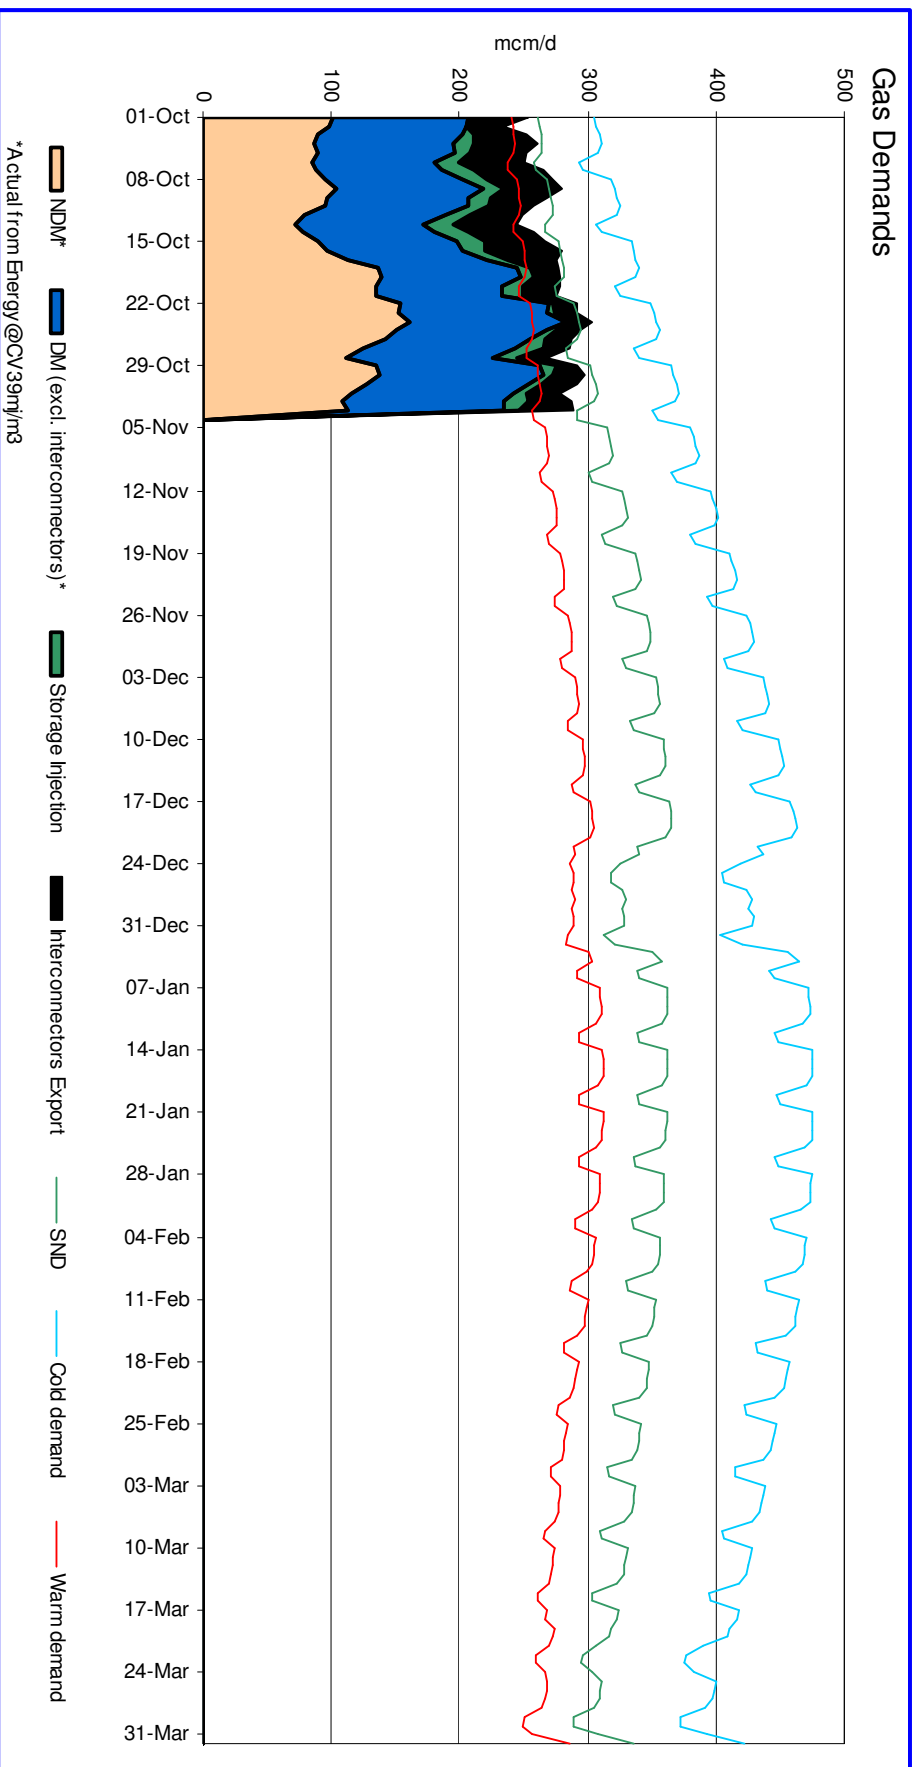

Monthly Web Updates

# Monthly Web Updates

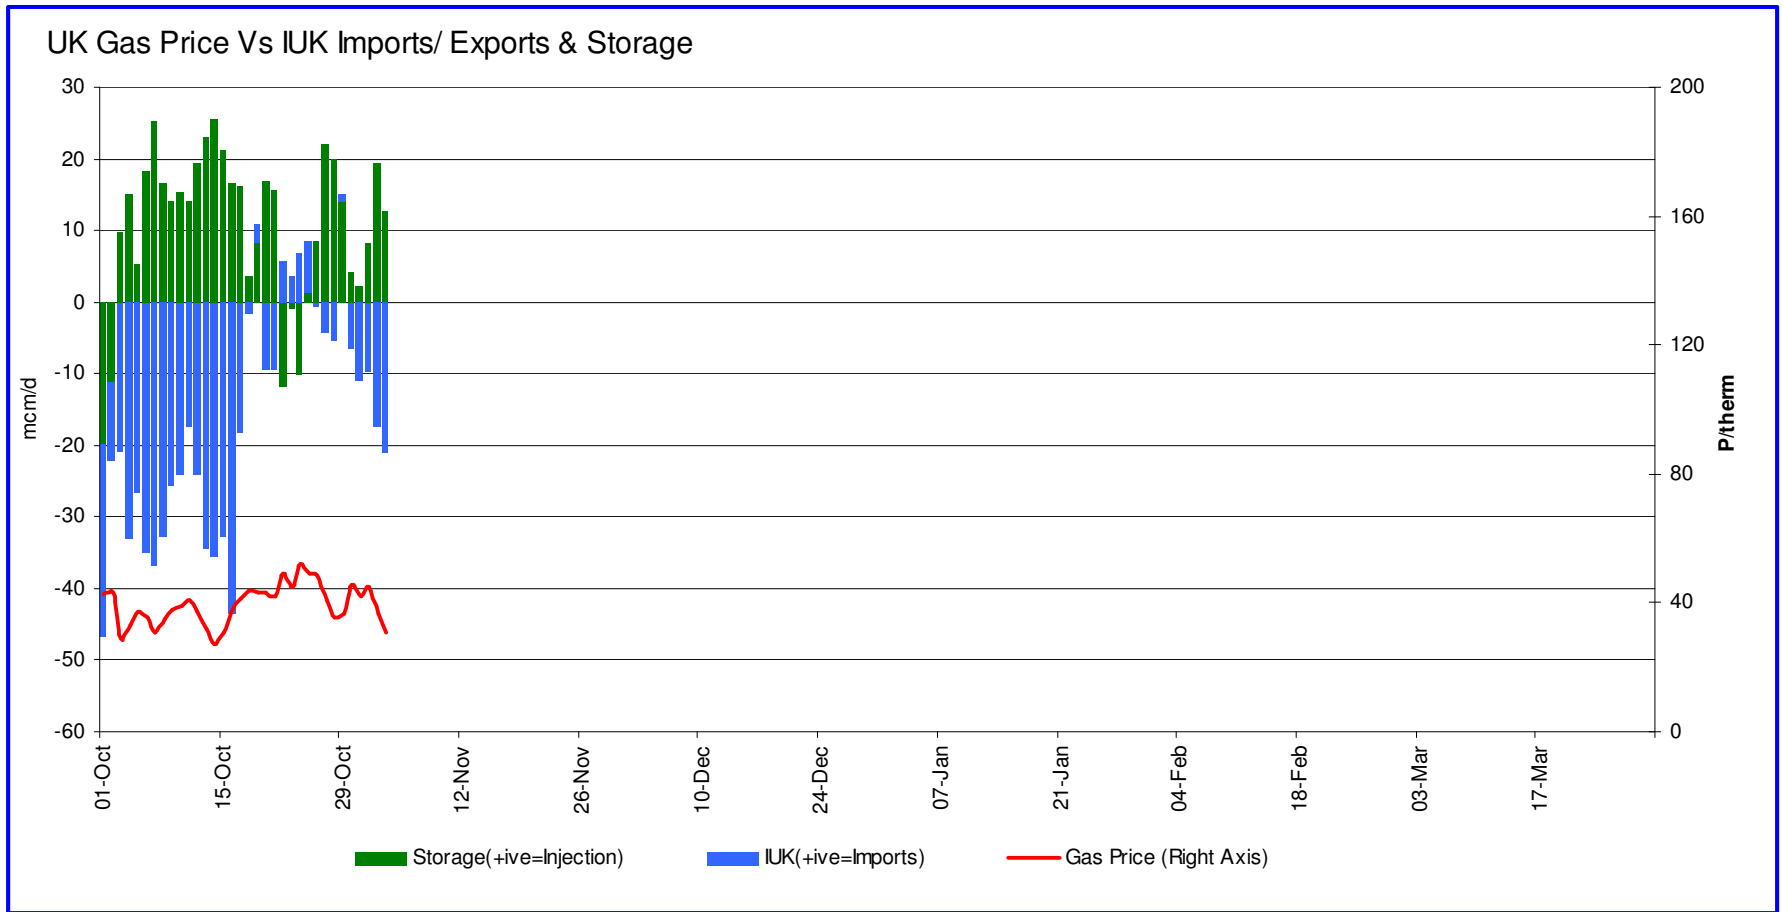

---

- ◆ This winter National Grid will be including a ‘backwards looking’ monthly Winter update on its external website.
- ◆ The document for Gas will contain a number of charts:
  - ◆ Gas Supply Build Up
  - ◆ Gas Demands (breakdown)
  - ◆ UKCS Monitor
  - ◆ Import Assessment
  - ◆ Gas Price vs. Interconnector & Storage Activity

# Gas Demands

# UK Gas Price vs. Interconnector & Storage Activity

# Monthly Web Update - Location

---

- ◆ The update can be found under the 'Miscellaneous System info' page of nationalgrid.com:
  - ◆ <http://www.nationalgrid.com/uk/Gas/Data/misc/>
  - ◆ Updated Monthly on 1<sup>st</sup> Wednesday each month commencing on 7<sup>th</sup> November 2007.
