

Long Term DRSEC Auction Request Process - Timeline

Notes:

- 1) This timeline demonstrates the process for requesting M+2 Capacity (where M is the month in which the request is received)
- 2) Requests for capacity periods greater than M+2 will be considered at any time and a timeline appropriate to when the capacity is requested for will apply.
- 3) Requests for M+2 capacity can only be considered in the first 10 Business days of a month (M) to avoid impacts with the current auction schedule.
