# Information Exchange Website

---

As a result of an exercise to re-brand all National Grid websites, the Information Exchange (IE3) website will change URL with effect from 10<sup>th</sup> October 2005.

# IE3 Changing URLs

---

- ◆ The URL for the IE3 website will change from *info.transco.co.uk* to [www.nationalgrid.com/uk/gas](http://www.nationalgrid.com/uk/gas)
- ◆ The URL for the data published on the IE3 website will change from *www.info1.transco.co.uk* to [infoex.natgrid.co.uk](http://infoex.natgrid.co.uk)
- ◆ Users logging on to the IE3 website using *info.transco.co.uk* after 10<sup>th</sup> October, will automatically be forwarded to the new URL.
- ◆ If scripts or screen scrapers are used to retrieve the data, you will need to amend the URLs.
