Ofgem Update

Gas Operational Forum (GOF)

Siobhán Carty

10 June 2008

Ofgem's contribution to the Gas Operational Forum

- We asked for ideas on how we can improve our input to the forum
- We received no responses!
- We can only meet the needs of attendees if we receive feedback!
 - Suggestions for what stakeholders would like to see from Ofgem should be sent to **james.crump@ofgem.gov.uk**
- We will publish any response we receive at the next forum
 - Last month's presentation is available on the National Grid website

System Operator Incentives

- Presentation from last GOF now on Ofgem website
- Open Letter published on 18 May
- Located at [http://www.ofgem.gov.uk/Markets/WhlMkts/EffSystemOps/SystOpIncent/Documents1/SO **Incentives** Open Letter May 2008.pdf](http://www.ofgem.gov.uk/Markets/WhlMkts/EffSystemOps/SystOpIncent/Documents1/SO_Incentives_Open_Letter_May_2008.pdf)
- NG to hold workshops on 25 and 26 June

Codes Governance Review

- A review of industry code governance was set up to look into issues relating to
 - Modification process (quality of the analysis in making decisions, etc)
 - Changes in Ofgem's statutory duties
- Industry seminar was held in February: Ofgem have since engaged external consultants to gather data
- Scope of review will be announced in late June
- Ofgem contact: jonathan.dixon@ofgem.gov.uk, or visit <http://www.ofgem.gov.uk/Licensing/IndCodes/CGR/Pages/GCR.aspx>

Coming up – Winter Outlook

- NG produce Winter Outlook with Ofgem each year
- NG's Winter Outlook and consultation paper to be published week beginning 9 June on Ofgem website
 - Please send consultation responses to NG
- Seminar will be held in September
- For more information about Ofgem's role in the Winter Outlook, please contact richard.holmwood@ofgem.gov.uk.
