

A/10 Generation Compliance Consultation Responses

November 2010 GCRP Update

Consultation Responses

- Thirteen responses received
 - Broadly supportive of the proposals
 - ...although 250 – 300 unique comments received
 - Ranging to high level approach to specific clause drafting
- Consequential DCUSA, CUSC and D Code amendments raised

Next Steps

- Many useful points raised within Grid Code Responses
- Proposal to perform a Further Consultation to seek industry views on revised proposals
- Complete redrafting of Proposals has been undertaken, including:
 - Creation of new Compliance Process section of GC
 - OC5 (testing) section has been extended
 - Many improvements to individual clauses
 - Proposed changes to LEEMPS responsibilities have been removed
