

## Capital gains tax (CGT)

The following information covers the CGT events that have affected National Grid shareholders since the privatisation of British Gas in 1986 and the distribution of National Grid Group shares in 1995/1996.

The information is provided primarily for the purpose of individual shareholders resident in the United Kingdom calculating their personal tax liability. Shareholders who are in any doubt as to their tax position or who are subject to tax in a jurisdiction other than the United Kingdom should consult an appropriate professional advisor.
