

Onshore GB SQSS Review Working Group
GB SQSS Review for Onshore Intermittent Generation

Industry Workshop Invitation

The GB SQSS Onshore Intermittent Generation working group has arranged another one-day industry workshop on the GB SQSS review. The purpose of this workshop is to present the work that has been undertaken by the working group, findings and recommendations and to explore some of the consultation issues. You are invited to register for the workshop if you would like to attend. The event is **FREE OF CHARGE**.
