Security Periods

- ◆ The year will be split into at least two security periods.
- ◆ In each security period, a supplier's security requirement will be determined as an amount determined from a VAR profile within that security period.

Proposed solution:

- ◆ Two security periods:
 - ◆ 15th August to 30th November (inclusive); and
 - ◆ 1st December to 14th August (inclusive).

Security Periods - NHH

Security Periods - HH
