

1<sup>st</sup> March 2006

Dear Colleague,

**Premature Replacement/Meter Termination Charges from 1<sup>st</sup> April 2006**

In preparing the metering charges statement for publication we have discovered an error in the tables 2.7.2a, 2.7.3a (as advised in our letter dated 21<sup>st</sup> December 2005) in respect of Premature Replacement and Meter Termination charges. The annual rental charges for legacy and new and replacement meters are not affected by this and are as advised on 21<sup>st</sup> December 2005.

Please find below a summary of the Charges that have corrected.

Premature Replacement Charges for meters installed in the period 1 <sup>st</sup> Jan 2004 to 31 <sup>st</sup> March 2005 (Table 2.7.2 (a))				
Meter Class	Charges advised on 21 <sup>st</sup> December 2005		Revised Charges advised on 1 <sup>st</sup> March 2006

Please find attached revised schedules showing National Grid's metering charges effective from 1<sup>st</sup> April 2006. These schedules include tables from the Agreements that have been reproduced and updated to include the RPI increase as set out in the Agreements.

Please accept my apologies for the error in the earlier notification and for any inconvenience caused by this correction to Premature Replacement and Meter Termination charges.

If you have any questions about the new charges, please contact Kate Elleman on 0121 424 8737 or email to [msa.contracts.commercial.nationalgrid.metering@uk.ngrid.com](mailto:msa.contracts.commercial.nationalgrid.metering@uk.ngrid.com).

Yours sincerely,
