

Promoting choice and value
for all gas and electricity customers

Ofgem Update

Gas Operational Forum

James Crump

12 November 2008

Offtake

- A decision is due on UNC 116/195 by the end of month
- Watch the Joint Office website or Ofgem website for details.

Substitution

- At the last Transmission Workstream, Ofgem stated that we are minded to grant NGG a derogation from the obligation to have a methodology in place by 1 April 09
- We expect Grid to apply for a derogation some time in the next week.
