

Workshop on Transmission Network Security Standards

Imperial College, London, Monday 9th March 2009

Agenda

Time	Presentation	Speaker
9:00	Registration and coffee	
9:30	Welcome and Introduction Fundamental Review of the GB SQSS: Drivers for the review, Work Group Progress, key issues, questions for the day	Chair: Andy Hiorns, National Grid
10:15	Advanced grid reliability standards	John Gleadow, Electricity Commission, New Zealand
11:15	Coffee	
11:30	Market based transmission planning: Chilean experience	Juan Carlos Araneda Transelec, Chile
12:30	Lunch	
13:30	Modelling and analysis in support the review of GB SQSS	Goran Strbac, SEDG
14:30	Wide-area monitoring and control to increase transfer capacity rating of existing transmission assets	Mats Larrson, ABB
14:50	The role of HVDC and FACTS technologies to enhance the utilization of existing transmission networks	Roger Critchley, Areva
15:10	Enhancing the value of transmission: wide area monitoring protection and control, SmartGrids, series compensation	Mervyn Sara, Siemens
15:30	Coffee	
15:45	Panel session	Andy Hiorns, National Grid
16:30	Close	

**Network Security Standards
Workshop – GB SQSS Fundamental Review
Imperial College, London, Monday 9th March 2009**

List of Delegates

Delegate	Company
Andy Hiorns	National Grid (NGET) Chairperson
Noel McGoldrick	National Grid (NGET)
Graham Bailey	National Grid (NGET)
Ivo Spreeuwenberg	National Grid (NGET)
Hedd Roberts	National Grid (NGET)
Peter Murphy	National Grid (NGET)
Ian Gilbert	National Grid (NGET)
Colin Bayfield	SP Transmission (SPT)
Cornel Brozio	SP Transmission (SPT)
Chandra Trikha	Scottish and Southern Energy (SHETL)
Brian Punton	Scottish and Southern Energy (SHETL)
Goran Strbac	Centre for Sustainable Energy and Distributed Generation (SEDG)
Christos Vasilakos	Centre for Sustainable Energy and Distributed Generation (SEDG)
Rodrigo Moreno	Centre for Sustainable Energy and Distributed Generation (SEDG)
Predrag Djapic	Centre for Sustainable Energy and Distributed Generation (SEDG)
Keith Bell	Centre for Sustainable Energy and Distributed Generation (SEDG)
Fiona Navesey	Centrica
Timothy Russell	Renewable Energy Association
Robert Longden	Airtricity
Dr Frank Prashad	RWE
Claire Maxim	EoN
Chris Dent	Edinburgh University
Helen Snodin	XeroEnergy (British Wind Energy Association)
Sebastien Henry	RTE, France
Peter Van Roy	Elia, Belgium
John Gleadow	Electricity Commission, New Zealand
Juan Carlos Arenda	Transelec, Chile
Mervyn Sara	Siemens
Mats Larsson	ABB
Roger Critchley	Areva
Lewis Dale	National Grid (NGET)
Min Zhu	Ofgem
Nick Russ	Ofgem
Mark Fitch	KEMA
Phil Baker	UKERC
