COMPULSORY PURCHASE ORDER 2021**

The Electricity Act 1989 and the Acquisition of Land Act 1981

NATIONAL GRID ELECTRICITY TRANSMISSION PLC (Company Registration Number 02366977) (in this Order called "the acquiring authority"), makes the following Order:

- 1 Subject to the provisions of this Order, the acquiring authority is under Section 10 and Schedule 3 to the Electricity Act 1989 hereby authorised to purchase compulsorily the new rights over land described in paragraph 2 for the purposes of an underground tunnel and electricity cables project from Coldharbour Lane to Denmark Hill via a site with an access shaft and headhouse at land including the existing substation site off Bengeworth Road, Lambeth together with related works to facilitate the transmission of electricity within and across London.
- 2 The new rights to be purchased compulsorily under this Order are described in Table 1 of the Schedule in accordance with the definitions at paragraph 5 below and the land is shown coloured blue on the map prepared in duplicate, sealed with the common seal of the acquiring authority and marked "Map referred to in The National Grid Electricity Transmission PLC (London Power Tunnels 2) (Bengeworth Road Connection) Compulsory Purchase Order 2021".
- 3 Parts 2 and 3 of Schedule 2 of the Acquisition of Land Act 1981 are hereby incorporated with this order, and references in the said Parts 2 and 3 to "the undertaking" shall be construed as including the works to be constructed by the acquiring authority in, on, over and under the land subject to this Order.
- 4 Where in this Order a new right is acquired it shall be exercisable at all times by the acquiring authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
- 5 This paragraph 5 is an aid to the interpretation of the Schedule to this Order:

(a) In Table 1 of the Schedule to this Order the following terms shall have the following meaning:

Right	Description
Tunnel and Cable Rights	<p>All rights necessary for the purposes of or incidental to the construction of the hereinafter mentioned Cable Tunnel and operation of the electricity infrastructure, including:</p> <ul style="list-style-type: none"> • the right to construct and install a concrete cable tunnel with an overall external diameter not exceeding 4.5 metres at a depth of not less than 20 metres below the surface of the land at the date of the Order together with any necessary or auxiliary apparatus (in the Order referred to as the "Cable Tunnel"); • the right to retain and make use of and from time to time inspect, cleanse, maintain, repair, alter and decommission and make safe the Cable Tunnel; • the right to place, attach and install electricity cables for the transmission and distribution of electricity together with all necessary ancillary cables, pipes, equipment, apparatus and fibre optic cables required in connection with the use and operation of the aforementioned electricity cables; • to test and commission the electricity infrastructure installed within the Cable Tunnel and to remedy initial faults and defects in it at any time prior to the date on which it is energised and ready for commercial operation; • to retain, commission, operate, inspect, maintain, repair, alter, renew, replace and remove or decommission the electricity infrastructure; • the right to enter the hereinafter mentioned Protective Strip and the Cable Tunnel from any adjoining cable tunnels as often as may be required with or without vehicles and at all times with all necessary materials apparatus plant and equipment for the purposes set above and/or for the purpose of access to and egress from other parts of the NGET's Cable Tunnel; • the right to all necessary rights of support for the Cable Tunnel; and

	<ul style="list-style-type: none"> the right to all necessary rights of protection for the Cable Tunnel from any excavation, mining foundation or piling works within such part of the subsoil and under the surface of the land as comprises a strip (in the Order referred to as the "Protective Strip") thereof the upper limit of which shall not be greater than 6 metres from the top of the Cable Tunnel at the date of the Order and the lower limit of which shall not be greater than 6 metres below the bottom of the Cable Tunnel and the lateral limits shall not be greater than 3 metres on each side of the Cable Tunnel.
--	--

- (b) Where minimum depths are described in the plot descriptions in Table 1 of the Schedule to this Order these are measured from ground level (or in the case of a river-bed, the level of the river-bed) to the top of the rights corridor relating to the tunnel (see (c) below).
- (c) The land shown coloured blue is a two-dimensional representation of a three-dimensional rights corridor within which will be located the tunnel, cables and associated works together with an external "protected area" with an overall maximum vertical dimension of 16.5m and an overall maximum lateral dimension of 10.5m. The plot description refers to plot areas in square metres as the two-dimensional representation. The rights corridor may deviate vertically, but the top extremity of the corridor shall never be shallower than the minimum depth described.
- (d) In the Schedule where a party's interest has already been identified and described in a plot then if they are identified in a later plot their address has not been repeated.
- (e) Where a numbered plot is shown adjacent to a street or public highway shown edged red (but without a plot number) on the Map to this Order then the plot boundary is directly abutting that street or public highway
