 CONSTRUCTION AREAS TO BE
 CONSULTED ON AT A LATER DATE

Notes

This drawing is scaled at paper size A0, therefore any prints taken at smaller sizes will affect accuracy of the measurement units and should not be scaled against.

This plan shows the proposed draft permanent assets only. The draft order limits including limits of deviation, access and construction work areas and mitigation requirements will be shown at future project stages. This consultation is focused primarily on the draft positioning of the permanent assets.

The 2023 preferred draft alignment routing shown on these plans is subject to consultation feedback and ongoing design development.
